

# Common prices for the Support at Home Program

East Coast, as at 31 May 2026

Every two months, the Australian Government requires Silverchain Care Pty Ltd (Silverchain) to share the common price our clients have paid for our aged care services funded by the Support at Home program.

A 'common price' is the price that has been most frequently charged during this time. This fact sheet outlines our common prices charged in the East Coast for March and April 2026.

Please note this is not our price list. Instead, our Support at Home Price List from 1 November 2025 is available on our website, under 'Fees and Charges', and on the My Aged Care portal.
