

Care is a chain reaction triggered by the smallest act of kindness, because when you're cared for, you can care more.

At RDNS Silverchain you have the flexibility to balance your work and home life.

Our care means investing in your professional growth so together we can find new ways to provide the best care for our clients, while putting more tax free money into your pocket.

As a nationally accredited health and aged care provider we take our reputation seriously. We know what we do makes a difference for our clients, our communities, and you.

We're looking for **Registered Nurses** to join our team and help provide services to 140,000 Australians each year.

You play a crucial part in providing clients the care and treatment that enables them to live their best lives at home.

Your tasks can include:

- Conducting clinical assessments.
- Implementing a care management plan.
- Helping clients with catheter care and IV administration.
- Providing wound care in their home.

About you

To apply for this role, you will need:

- 1+ years experience in a general nursing role.
- Current AHPRA registration.
- Experience in wound and catheter care.
- Strong clinical assessment and chronic disease management skills.
- Community care experience highly regarded.
- Effective communication skills, written and verbal.
- Current full Australian driver's license.
- A current satisfactory police clearance or the ability to obtain one (conducted at RDNS Silverchain's expense).
- The ability to work flexible hours across weekdays and weekends.

You will also need to provide evidence of COVID-19 vaccinations or a medical exemption to commence employment with RDNS Silverchain.
